Providing peace of mind for enterprises, the items from the Z-Factory or the Z-Wiki with Z-Support services gives your enterprise greater security, higher performance and more capability for substantially less money than proprietary alternatives.

As Dr.Chgman.com is the provider of all the items in the Z-Factory or Z-Wiki, we also employ all of the leading developers of these items. By subscribing to **Z-Support services for enterprises** your company gets the reassurance and back-up that real projects need when deploying any of the items in the Z-Factory or Z-Wiki.

Z-Support services for enterprises are available in these flavors:

- Migration Services.
- Premium Service Engineer.

In the near future, we also plan to add these additional Z-Support services for enterprises:

- Systems Monitoring and Management.
- Dr.Chgman Assurance.

Please contact us to subscribe for any of these Z-Support services for enterprises, or if you'd like to discuss your requirements in more detail.
