Providing peace of mind for enterprises, the items from the <u>Z-Factory</u> or the <u>Z-Wiki</u> with Z-Support services gives your enterprise greater security, higher performance and more capability for substantially less money than proprietary alternatives.

As Dr.Chgman.com is the provider of all the items in the $\underline{\text{Z-Factory}}$ or $\underline{\text{Z-Wiki}}$, we also employ all of the leading developers of these items. By subscribing to $\underline{\text{Z-Support services for enterprises}}$ your company gets the reassurance and back-up that real projects need when deploying any of the items in the $\underline{\text{Z-Factory}}$ or $\underline{\text{Z-Wiki}}$.

Z-Support services for enterprises are available in these flavors:

- Migration Services.
- Premium Service Engineer.

In the near future, we also plan to add these additional Z-Support services for enterprises:

- Systems Monitoring and Management.
- Dr.Chgman Assurance.

Please <u>contact us</u> to subscribe for any of these Z-Support services for enterprises, or if you'd like to discuss your requirements in more detail.
