Providing peace of mind for enterprises, the items from the [Z-Factory](#) or the [Z-Wiki](#) with Z-Support services gives your enterprise greater security, higher performance and more capability for substantially less money than proprietary alternatives.

As Dr.Chgman.com is the provider of all the items in the [Z-Factory](#) or [Z-Wiki](#), we also employ all of the leading developers of these items. By subscribing to **Z-Support services for enterprises** your company gets the reassurance and back-up that real projects need when deploying any of the items in the [Z-Factory](#) or [Z-Wiki](#).

Z-Support services for enterprises are available in these flavors:

- [Migration Services.](#)
- [Premium Service Engineer.](#)

In the near future, we also plan to add these additional Z-Support services for enterprises:

- [Systems Monitoring and Management.](#)
- [Dr.Chgman Assurance.](#)

Please [contact us](#) to subscribe for any of these Z-Support services for enterprises, or if you'd like to discuss your requirements in more detail.
