ChangeMan ZMF is a very rich software product, there are different ways to implement it, customize it, and to just keep it running. Many of them with its pros and cons. However, over the past 2 decades or so, *certain approaches seem to have worked better then other approaches*. This sections covers various topics that fit into this **Z-Practices** category, including *DOs and DONTs*.

To get an overview of all the topics that fit into this category, please checkout the Z-Wiki roadmap (our current roadmap for future Z-Wiki topics). If you have other topics that you think fit into this section, please let us know!
